ARTICLE II

GENERAL PROVISIONS

SECTION 7. Natural resources and scenic beauty.--

(a) It shall be the policy of the state to conserve and protect its natural resources and scenic beauty. Adequate provision shall be made by law for the abatement of air and water pollution and of excessive and unnecessary noise and for the conservation and protection of natural resources.

ARTICLE IV

EXECUTIVE

SECTION 9. ~~Fish and wildlife conservation Game and fresh water fish~~ commission.--There shall be a fish and wildlife conservation ~~game and fresh water fish~~ commission, composed of ~~seven~~ five members appointed by the governor, subject to confirmation by the senate for staggered terms of five years. The commission shall exercise the regulatory and executive powers of the state with respect to wild animal life and fresh water aquatic life, and shall also exercise regulatory and executive powers of the state with respect to marine life, except that all license fees for taking wild animal life, and fresh water aquatic life, and marine life and penalties for violating regulations of the commission shall be prescribed by general law ~~specific statute.~~ The commission shall establish procedures to ensure adequate due process in the exercise of its regulatory and executive functions. The legislature may enact laws in aid of the commission, not inconsistent with this section, except that there shall be no special law or general law of local application pertaining to hunting or fishing. The commission's exercise of executive powers in the area of planning, budgeting, personnel management, and purchasing shall be as provided by law. Revenue derived from license fees for the taking of wild animal life and fresh water aquatic life shall be appropriated to the commission by the legislature for the purposes of management, protection, and conservation of wild animal life and fresh water aquatic life. Revenue derived from license fees relating to marine life shall be appropriated by the legislature

~~for the purposes of management, protection, and conservation of marine life as provided by law. The commission shall not be a unit of any other state agency and shall have its own staff, which includes management, research, and enforcement. Unless provided by general law, the commission shall have no authority to regulate matters relating to air and water pollution. Revenue derived from such license fees shall be appropriated to the commission by the legislature for the purpose of management, protection and conservation of wild animal life and fresh water aquatic life.~~

ARTICLE VII

FINANCE AND TAXATION

SECTION 11. State bonds; revenue bonds.--

(e) Bonds pledging all or part of a dedicated state tax revenue may be issued by the state in the manner provided by general law to finance or refinance the acquisition and improvement of land, water areas, and related property interests and resources for the purposes of conservation, outdoor recreation, water resource development, restoration of natural systems, and historic preservation.

~~(f)~~(e) Each project, building, or facility to be financed or refinanced with revenue bonds issued under this section shall first be approved by the Legislature by an act relating to appropriations or by general law.

ARTICLE X

MISCELLANEOUS

SECTION 18. DISPOSITION OF CONSERVATION LANDS.--The fee interest in real property held by an entity of the state and designated for natural resources conservation purposes as provided by general law shall be managed for the benefit of the citizens of this state and may be disposed of only if the members of the governing board of the entity holding title determine the property is no longer needed for conservation purposes and only upon a vote of two-thirds of the governing board.

ARTICLE XII

SCHEDULE

SECTION 22. Fish and wildlife conservation commission.--

(a) The initial members of the commission shall be the members of the game and fresh water fish commission and the marine fisheries commission who are serving on those commissions on the effective date of this amendment, who may serve the remainder of their respective terms. New appointments to the commission shall not be made until the retirement, resignation, removal, or expiration of the terms of the initial members results in fewer than seven members remaining.

(b) The jurisdiction of the marine fisheries commission as set forth in statutes in effect on March 1, 1998, shall be transferred to the fish and wildlife conservation commission. The jurisdiction of the marine fisheries commission transferred to the commission shall not be expanded except as provided by general law. All rules of the marine fisheries commission and game and fresh water fish commission in effect on the effective date of this amendment shall become rules of the fish and wildlife conservation commission until superseded or amended by the commission.

(c) On the effective date of this amendment, the marine fisheries commission and game and fresh water fish commission shall be abolished.
