Securities offered through Robert W. Baird & Co. Incorporated, member FINRA/SIPC.

This Baird Wealth Report ("Report") is provided as a convenience to clients ("you") for your informational and planning purposes only by Robert W. Baird & Co. Incorporated ("Baird" or "we"). Your Report is compiled using pricing, transaction and other information provided by third-party sources potentially utilizing a variety of formats, values and methodologies and may also contain information regarding assets held at a custodian other than Baird ("Held Away Assets"). As a result, although we believe the information contained in this Report to be reliable, we make no assurance that such information is guaranteed to be accurate or current.

Your Baird Client statements, confirmations, tax and other documents are the official records of account activity at Baird and are available through Baird Online for clients who have opted for this service. Please consult the appropriate professional advisors, such as your tax and legal professionals, before taking any action. If you have any questions about this Report, the information used to compile it or the calculations shown, please contact your Baird Financial Advisor.

Understanding the Information Contained in this Report

Held Away Assets

This Report may include information regarding Held Away Assets provided to Baird by the custodian of those assets. When an investment is held at Baird, Baird will calculate performance using transaction data as of the investment's trade date. Other custodians may provide information to Baird for purposes of compiling this Report that reflects information as of a transaction's settlement date or may otherwise be delayed or inaccurate. This and other differences in transaction data utilized may materially impact calculated performance.

Important Terms and Concepts

Start Date. Any Start Date indicated means, as applicable, the date on which your account was established or acquired or began use of a particular investment or money manager strategy.

Liabilities and Negative Cash Positions. Any Liability (or negative cash position) indicated in your Report represents an amount owed. These liabilities can result from a variety of investment activities, including via margin loan, unsettled transactions, short sale positions or writing call or put options.

Cash Sweep. Cash Sweep refers to uninvested cash balances in your account that have been automatically deposited, or swept, into one or more FDIC-insured, interest bearing deposit accounts or in certain cases invested in shares of a money market mutual fund under the terms of Baird's Cash Sweep Program. For more information about Baird's Cash Sweep Program, visit the Additional Services tab under www.bairdwealth.com/retailinvestor.

Benchmarks

Please review this Report for the use of appropriate benchmarks. Please note any benchmark return calculations included in this Report were performed using a non-cash flow adjusted calculation. For a full description of potential benchmarks, please contact your Baird Financial Advisor.

UMA Performance (UAS Portfolio) Reporting

If your UMA Performance - UAS Portfolio Report contains information regarding aggregate account ("Account-Level") performance and the performance of the individual investments or strategies ("Sleeve-Level") in your Unified Managed Account, please consider the following information in reviewing your Report: Account-Level performance will be calculated net of fees and expenses charged by Baird, the individual investment products and money manager(s) included in your account. Conversely, with respect to your Sleeve-Level performance, investment products and money manager(s) investment returns are approximate, provided or calculated by Third-parties and are displayed gross of fees and expenses charged by Baird, the individual investment products and money manager(s) comprising your account. With respect to returns indicated for a particular money manager's investment strategy, the monthly performance is calculated by a Third-party using performance information beginning January 1, 2020. If your Start Date precedes this date with respect to a particular money manager's strategy, performance returns will be calculated from this date forward. It is also important to note that rate of return calculations from January 1, 2020 to December 31, 2024 are month-end to month-end calculations while calculations from January 1, 2025 forward are month to a specified date.

Investment Activity and Performance

Securities offered through Robert W. Baird & Co. Incorporated, member FINRA/SIPC. Investing involves the risk of loss. Securities Investor Protection Corporation (SIPC)

Baird is a member of the Securities Investor Protection Corporation (SIPC). SIPC provides up to \$500,000 of coverage for cash and securities held in each account for which you act in a separate capacity. Up to \$250,000 of that coverage may be applied toward uninvested cash. Please note Baird's SIPC coverage applies solely to assets held at Baird. For additional detail, please see www.sipc.org. Baird provides additional account protection (Excess SIPC) through insurance companies for customers eligible under SIPC. Please see www.rwbaird.com or contact your Financial Advisor for details. Additional Questions

Please contact your Baird Financial Advisor if you have any questions regarding the content of this Report, if there have been any changes in your financial situation or investment objectives, or if you wish to impose any reasonable restrictions and/or modify existing restrictions to the management of your accounts.

^A The source data for the following accounts was provided by RW Baird BETA Brokerage:

Variable Rate Securities:

Interest rate data for certain complex and/or variable rate securities is provided by third-party data service providers. Although we seek to use reliable sources of information, the accuracy, reliability, timeliness, and completeness of interest rate data may vary sometimes, particularly for complex and/or variable rate securities and those with limited or no secondary market. As a result, we can offer no assurance as to the accuracy, reliability, timeliness, or completeness of interest rate data for such securities.

When updated interest rate data is received from a third-party data service provider, the updated data will be reflected in various sources where interest rate data is used or viewed. Prior use or communication of interest rate-related data will not be revised. Since variable interest rates may be subject to change at any time and are only as accurate as the data received from third-party data service providers, interest rate data should not be relied on for making investment, trading, or tax decisions. All interest rate data and other information derived from and/or calculated using interest rates are not warranted as to accuracy, reliability, timeliness, or completeness and are subject to change without notice. We disclaim any responsibility or liability to the fullest extent permitted by applicable law for any loss or damage arising from any reliance on or use of the interest rate data or other information derived from and/or calculated using interest rates in any way. You should request a current valuation for your securities from your financial adviser or broker prior to making a financial decision or placing an order or requesting a transaction in these securities.
