**FULL TEXT OF THE PROPOSED CONSTITUTIONAL AMENDMENT:**

Article VII, Section 9 of the State Constitution is amended by adding a new Paragraph (c) to read:

ARTICLE VII FINANCE AND TAXATION

SECTION 9. Local taxes.–

(c) Notwithstanding any other provision contained in this Constitution, the maximum amount of all ad valorem taxes collected by counties, school districts, municipalities, and special districts on any parcel of real property shall not, when combined, exceed 1.35% of the parcel's highest taxable value. The term "taxable value" refers to the value of real property to which millage rates are applied. The Legislature shall, by general law, provide for the distribution of tax revenues derived from parcels for which the combined ad valorem tax levies exceed 1.35% of the parcel's highest taxable value. This subsection does not apply to ad valorem taxes levied for the payment of bonds issued pursuant to Section 12 of this Article or levied for periods not longer than two years when authorized by a vote of the electors.
